

IncluDO

# EMPOWERING MIGRANTS THROUGH TRAINING: AN INCLUDO PROJECT PRESENTATION

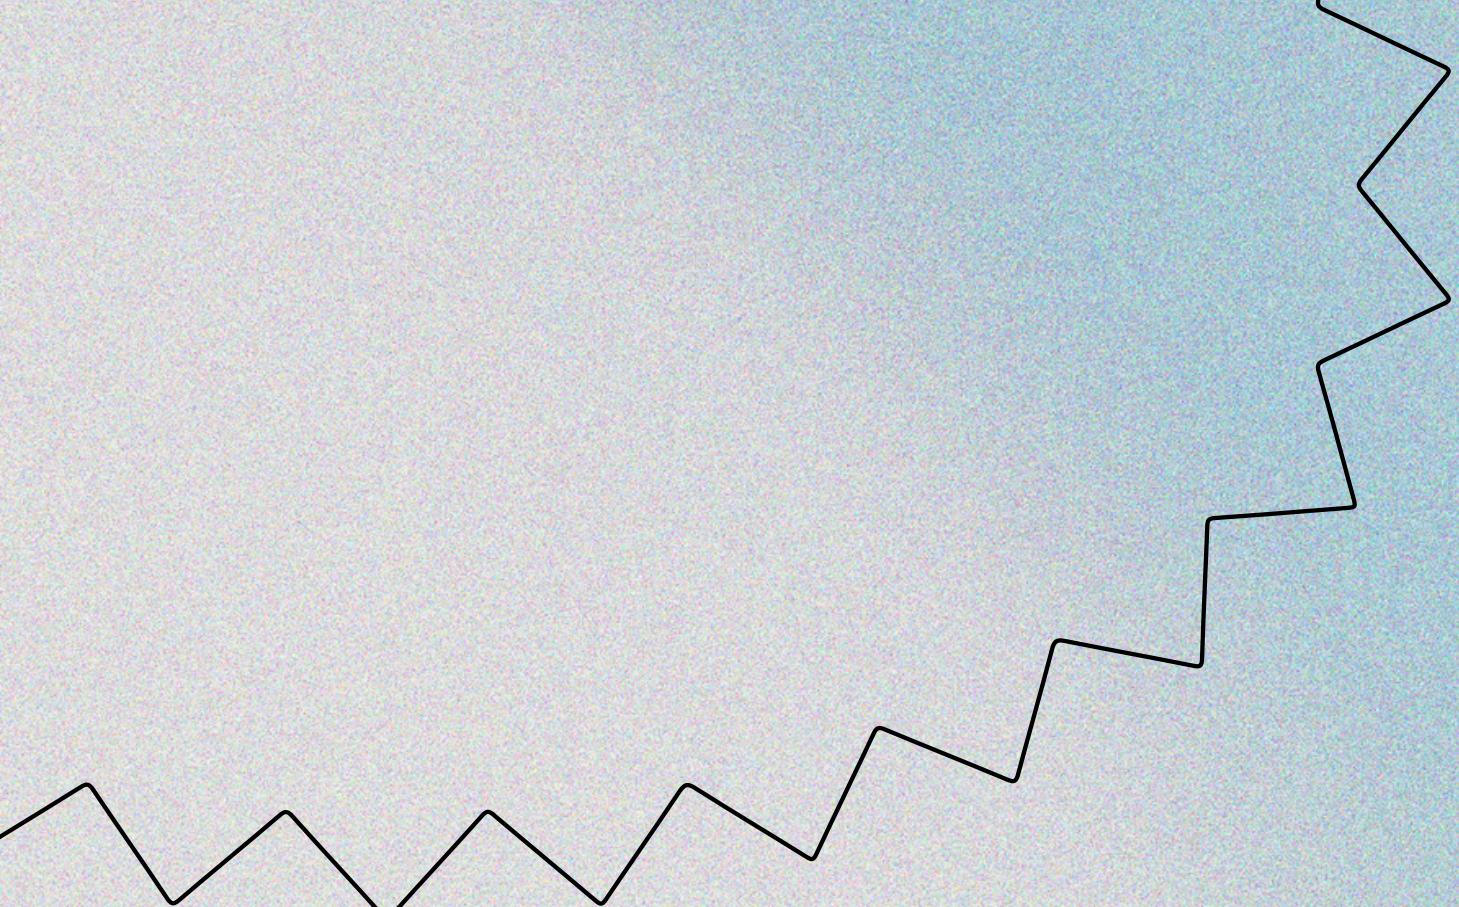

# OUR MISSION

---

IncluDO aims to empower migrants through comprehensive training programs designed to enhance their skills and facilitate their integration into the workforce. Our mission is driven by a commitment to provide accessible education and employment opportunities to individuals seeking to build a better future in their host communities.

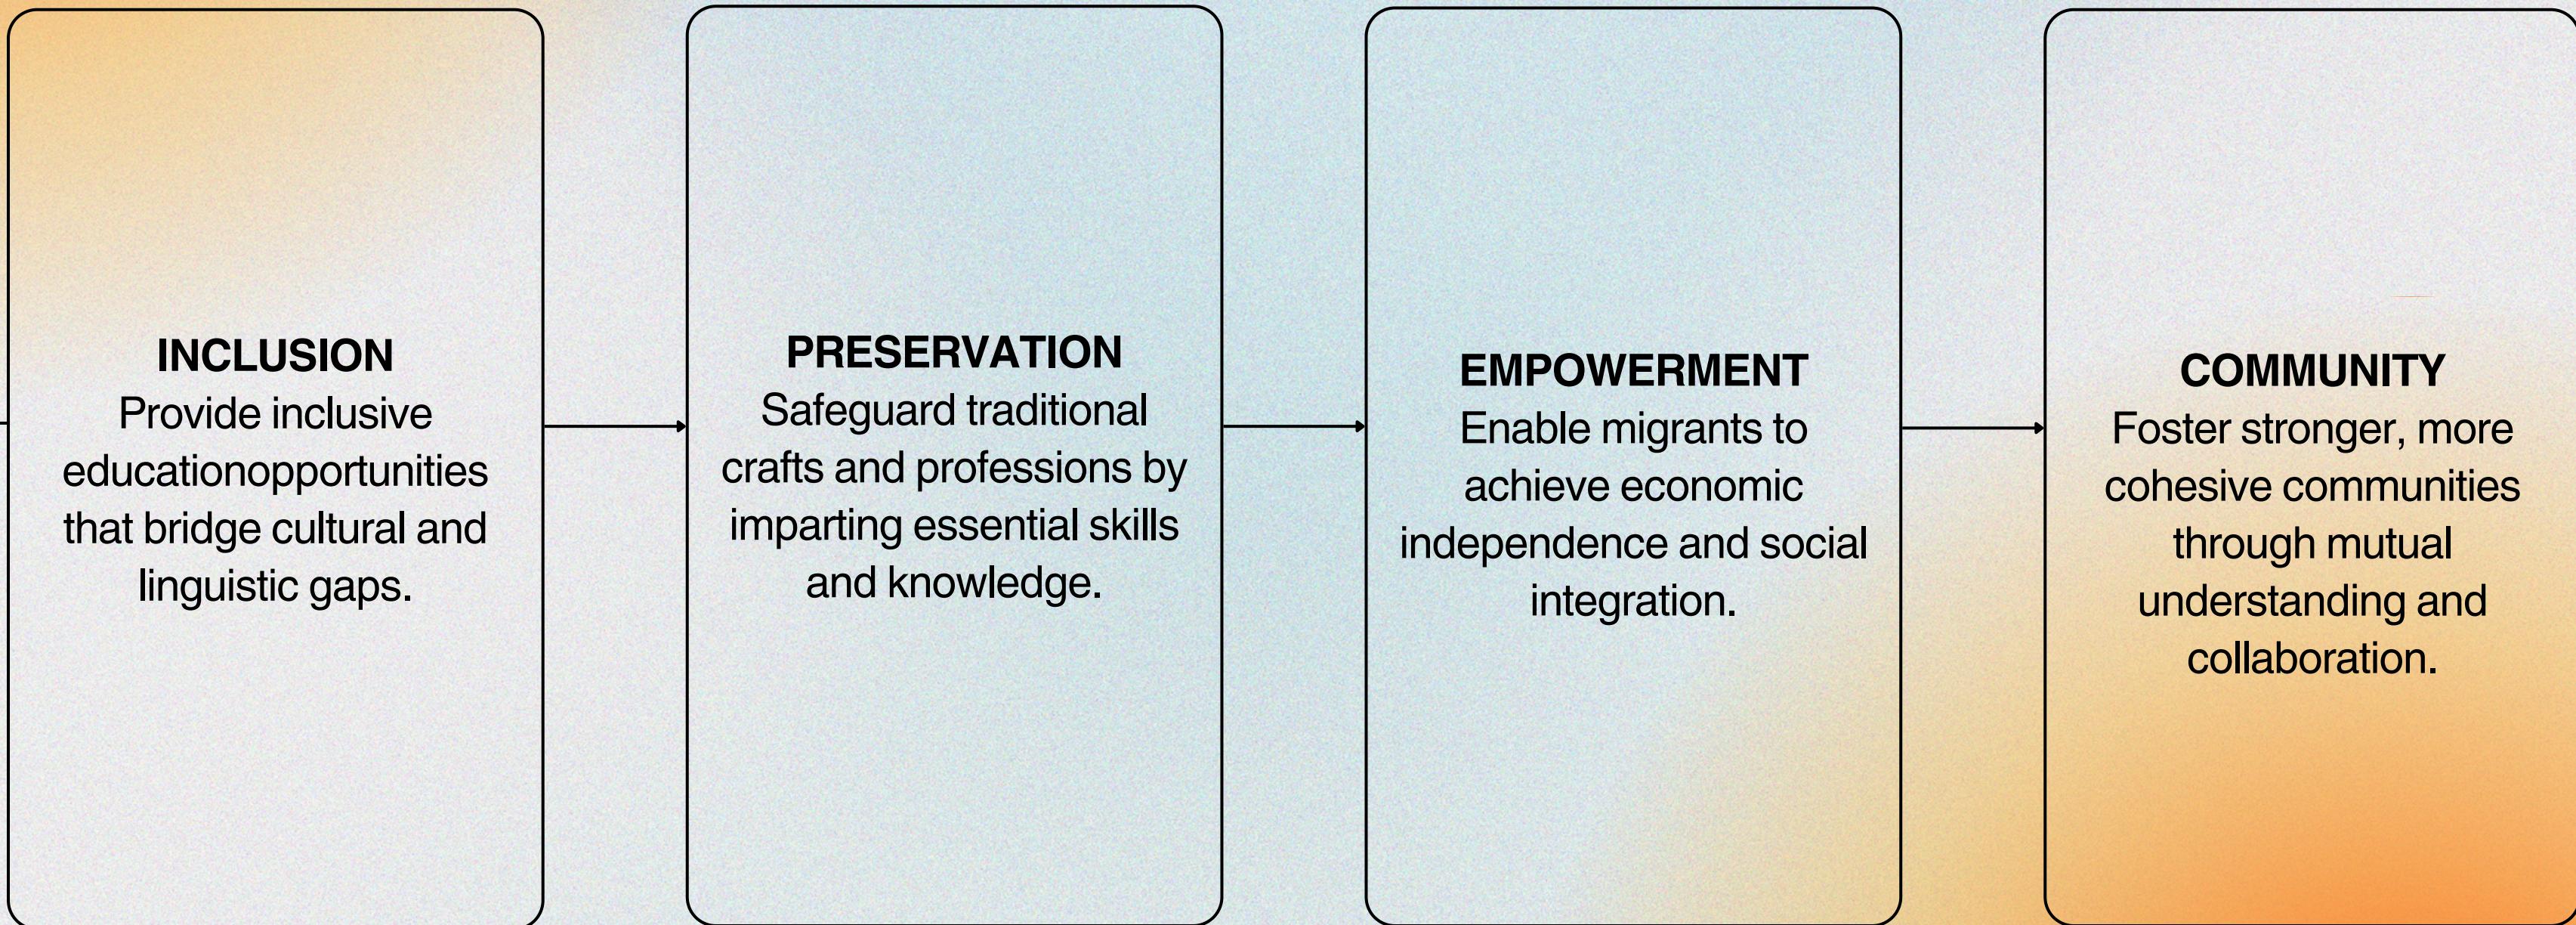

# ABOUT US

---

IncluDO was established by two dedicated professionals with a deep-rooted commitment to social impact and extensive experience in the nonprofit sector. Motivated by their passion for creating positive change, they envisioned a platform that addresses the dual challenges of migrant integration and the preservation of endangered professions, with a special focus on Southern Italy.

# OUR GOALS

# TRAINING COURSES

---

1

**Sector-Specific Training:** Specialized courses in fields such as IT, hospitality management, traditional craftsmanship, and language proficiency.

2

**Skill Development:** Hands-on learning opportunities to acquire essential skills and competencies required in today's job market.

3

**Certification:** Recognized certifications and qualifications upon completion of our programs, enhancing employability prospects.
